

Edward Broadbridge: 'N.F.S. Grundtvig. Works in English'

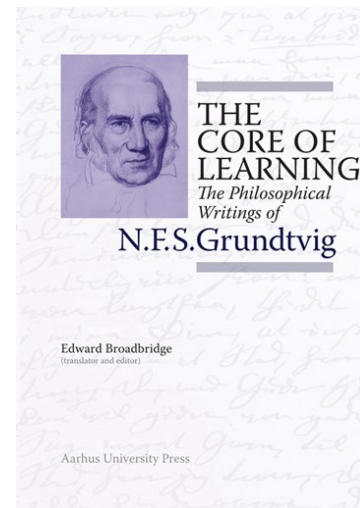

At *The Center for Grundtvig Studies*, we are happy to invite you to a combined lecture and reception where we will celebrate the work of Edward Broadbridge: 'N.F.S. Grundtvig. Works in English.'

The series 'N.F.S. Grundtvig. Works in English' is coming to a conclusion with its 6th volume. Edward Broadbridge has translated 2,000 pages of Grundtvig's ideas on education; his hymns, songs, and poetry; his theology and sermons; his work as a politician and historian; and his philosophical ideas.

The final volume will be an English biography and 64 letters, due for publication in 2023.

Edward Broadbridge gives an illustrated talk on his work over the past 14 years with the most important figure in the history of modern Denmark.
